Rose Cassidy

Web Developer with a knack for the colorful and creative
Seattle, Washington, United States

Summary

I recently completed a full-stack web development BootCamp
through the University of Washington.

I am very passionate and driven by community, activism, astrology,
and art. I am excited to be starting my career in web development.
I look forward to building tools to connect communities so they may
share their own passion for these things and to learn a lot on the
way!
